# PLANT-FOREST TREE SEEDLINGS FOR PROFIT SHADE AND BEAUTY

No farm should be without a grove of Forest Trees. The expense is very small, it pays well in shade and timber, and may mean a good estate for your children in years to come.

Your farm will always need fences. Your fences will always need posts. The Black or Yellow Locust grows the best of posts quickly.

Grow a Black Walnut Orchard on your farm. The trees will produce the finest, the most valuable timber, and at the same time yield quantities of the richest nuts, which are sold in abundance at good prices. When you want lumber for your buildings you will find nothing better than the Tulip (Yellow) Poplar. You perhaps have idle waste land on your farm that will grow a few trees, which will make the land rich and yield you a profit at the same time.

Place your order now while the stock is plentiful, shipment to be made any time you wish. We have this year larger assortment, better storage and packing sheds, and a strong desire to please you, and hope that you may let us supply your wants in this line.

LONICERA, HALLIANA, Hall's Japan Honeysuckle. Dark green, dense foliage, almost evergreen, with fragrant white flowers, changing to yellow. A good old dependable Honeysuckle. Grows rank under any conditions. These are being used in large quantities for reforestation work, for planting gullied lands, banks and unsightly places. If wanted in quantity lots, write for special quotations.

	Each	10	100
Medium .....	\$ .10	\$ .50	\$ 3.00
One Year No. 1.....	.15	.60	4.00

## LOW PRICES ON ORNAMENTAL SHADE TREES

**CHINESE ELM, ULMUS PUMILA**, a native of China. A noble, rapid-growing tree. Forming a very dense head, with smaller, darker leaves than the American Elm.

5 to 6 feet, branched	-----	\$ .65	Each
6 to 8 feet, branched	-----	1.00	Each
8 to 9 feet, branched	-----	1.50	Each
9 to 10 feet, branched	-----	2.00	Each
10 to 12 feet, branched	-----	3.00	Each

**CORNUS FLORIDA** (White Flowering Dogwood). A small tree desirable from every point of view. In spring they make a picture of beauty with their snowy flowers against a background of evergreens. The foliage is handsome during summer, and their red berries are one of autumn's chiefest charms.

4 to 5 feet, branched.....	.40	Each
5 to 6 feet, branched.....	.60	Each
6 to 8 feet, branched.....	.75	Each
8 to 9 feet, branched.....	1.25	Each

**CERCIS CANADENSIS (Red Bud).** One of the best ornamental trees. Grows to medium height, round-headed with heart-shaped dark green foliage. A profusion of deep pink flowers appear early in April.

4 to 5 feet, branched	-----	\$ .40	Each
5 to 6 feet, branched	-----	.60	Each
6 to 8 feet, branched	-----	.75	Each
8 to 9 feet, branched	-----	1.25	Each

**SUGAR MAPLE** (*Acer Saccharum*). Often called Hard Maple. Leaves come out early and in late summer turn to brilliant colors, and will drop before most other leaves.

5 to 6 feet, branched	\$ .65 Each
6 to 8 feet, branched	1.00 Each
8 to 9 feet, branched	1.50 Each
